Entrance & Carport Canopies

Restaurant Canopy and Balcony Awnings

Valet Entrance Canopy

Elevated Walkway Canopies for Vehicle Allowance

We have an established reputation for designing and fabricating superior awnings and canopies. Our products are engineered and built to meet the Florida Building Code. Awnings and Canopies are a unique building product that offers an alternative to traditional construction techniques.

Compliment your resort with Custom Canopies that create ambience and space for dining & special functions. We'll design your canopy to keep your views, take advantage of tropical breezes, & provide protection from inclement weather.

*Our awnings & canopies...
make your resort*

Zurra Restaurant Canopy
Anguilla

Marina Awnings

VIP, Luggage, or Smoking Canopy

*Distinguish your resort's
pool or beach from the others*

Poolside or Beachside Amenities Cabanas provide guests with all they need for their enjoyment...towels, lotions, water, sports items, etc.

Pool Cabanas provide welcome shade and protection from harmful UV rays and add revenue to your hotel or resort.

Valet Entrance Canopy

Custom Patio Canopy

Custom Escalator Canopies

Our fabrics are fire resistant
& UV rated, recommended
by the Skin Cancer
Foundation.
Award winning designs
year after year!
Customer service you
can depend on.
We ship worldwide.

Custom designed Massage
Cabanas provide tranquil
conditions giving comfort and
relaxation. Offer your guests
an experience they will
remember, bringing them back
and recommending your resort
or spa to others!

We have been GREEN for 80 years! Our awnings are energy
efficient and provide shade and rain protection.
